Why Buy Certified Organic?

MOFGA Certified Organic:

Look for the logo!

- REDUCES toxic chemicals in our environment and in our bodies
- PRESERVES pollinator habitat, promotes biodiversity and builds healthy soil
- Is PRODUCED without GMOs: genetically modified organisms are NOT permitted in organic production

- Is HUMANE: all eggs, meat and dairy come from animals raised without antibiotics or growth hormones
- ASSURES integrity and transparency through rigorous third party inspections

Support the over 500 MOFGA Certified Organic producers committed to to the wellbeing of Maine's environment, people and economies.
