

Required for All food vendors applying to use organically produced ingredients that are not Certified Organic in food to be sold at the Common Ground Country Fair

Affidavit: Verification of Source and Organic Growing Practices

PART A: Food Vendor/Applicant: *Complete and sign Part A. Then forward to your grower to complete Part B.*

I affirm that I am sourcing the food ingredients listed below from the Grower named in **Part B** below.

Indicate ingredients sourced from the Grower and the food item they will be in for consumption at the Common Ground Country Fair:

Food Product	Ingredient(s)
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____

Food Vendor's Name: _____

Food Vendor's Signature _____ **Date** _____

PART B: Grower: *Complete and sign Part B. Then forward to the MOFGA office or return to the Vendor.*

I have agreed to be a source for the ingredients listed above to the Common Ground Country Fair vendor/applicant named above.

I affirm that I am growing/raising/producing these ingredients in accordance with the organic practices as prescribed by the National Organic Program (NOP). These practices include growing in soil that has been free of synthetic chemical pesticides, herbicides, and fertilizers for at least 3 years prior to the date of planting these items. These ingredients are not genetically modified organisms (GMO).

I intend for MOFGA to rely upon this for verification of my organic growing practices solely with respect to the ingredients listed above and solely for their use at the Common Ground Country Fair by the vendor named above. I understand that during the growing season, a representative of MOFGA may visit my production land to verify organic growing practices.
