How did you hear about the program?

What are your desired dates and duration of apprenticeship?

What are your goals in becoming a farm apprentice? Afterwards?

Describe the type of farm experience and skills in which you are most interested. Please mention at least three specific areas of interest.

Are you only interested in working on an organic farm, or will you consider conventional farms as well?

Please list schools you have attended, degrees and/or major areas of study or training.

Please attach a resume or provide a list of work experience, both paid and volunteer.

What do you perceive will be your reaction to living and learning with new and unknown people in a rural area?

Is the receipt of a modest stipend crucial to your ability to work as an apprentice?

Will you be able to visit farms and interview with farmers who are interested in having you as an apprentice?

Do you smoke?

Do you have any dietary restrictions?

Will you eat meat raised at your host's farm?

Do you have transportation?

Can you drive a manual transmission?

Can you lift 50lbs above your waist?
